‘The Gallery @ Artisan Square’, of the Bowen Island Arts Council, is now planning exhibitions, in any medium and in any subject area, for the year 2010. We welcome proposals from Bowen Island artists and as well, will accept a limited number of off-island artists. Solo or group exhibitions may be proposed. The Gallery has limited space for three dimensional work during the summer months.

Please include the following information with your proposal:

- Covering letter, including theme of exhibition
- Curriculum Vitae: biographical information, education history, exhibition history, etc.
- CD or photographs (not more than 20) with title, date, size, medium of each work
- Three finished pieces of artwork representative of your current body of work
- Price structure of the works of art or expectations of prices

The Gallery supports emerging as well as established artists. Artists who have had solo exhibitions at “The Gallery” in 2008 or before, are welcome to submit their proposals, but may have to share an exhibition (depending on space available) with another artist.

We encourage submissions to include a community component in the form of workshops, demonstrations, artist talk or other creative interactive suggestions.

Deadline for submissions is Sunday June 28th, 3-6 p.m. Pick up of proposals and pieces, Tuesday June 30th, 3-6 p.m. or by special arrangement.
